Commissioner Button Revokes License of Heralds of Liberty.

To-day the voters of Pulaski county will decide the fate of the proposed bond issue of \$70,000 for the purpose of building permanent highways. A great deal of interest has been aroused in the campaign, and much educational work has been done in the direction of showig the people of other magisterial districts that they will not be called upon to pay any part of the interest or principal of the bonds, the proceeds of which are to be spent in Pulaski Magisterial District. Of course, in compiliance with the construction of

interest or principal of the bonds, the proceeds of which are to be spent in Pulaski Magisterial District. Of course, in compilance with the construction of the law, the bonds are to be issued, it approved in to-day's election, by the county, and therefore every voter in the county has a right to participate in the election, but the interest and sinking fund must be provided out of the district road funds.

The fight for the bond issue has heen led by Rev. George H. Gilmer, of Draper's Valley, one of the best known Presbyterian ministers in the Southwestern section of the State, and for many years stated clerk of the Presbytery of Abingdon. But he has been by no means alone, for a numoer of the most prominent citizens and largest tax-payers have contributed to the columns of the Icaai papers and have gone out to see the voters. This week's issue of the Pulaski county papers are filled with good roads articles to the exclusion of everything else.

Nottowny to Vote on \$100.000.

Another Virginia county will soon vote on the same question, but on this control of the bond issue in Alleghany, and which came near doing the same thing in Spotsylvania for the county, and mot a district is to issue the bonds. The new county to enter the ranks of the movement for better highways is Nottowny. The legal resolution has been parsed by the Board of Supervisors, regulating the judge of the Circuit Court to order an election on the subject, and it is presumed that the question will be voted on early in the year.

Nottowny proposes to issue the round sum of \$100.000. The most important roads in the county are to be rebuilt with the proceeds of the bonds if they irre order an election on the subject, and it is presumed that the question will be voted on early in the year.

PULASKI VOTES ON ROAD BOND ISSUE

Convict forces were kept at the respective operations, for it has been deemed best to do this. Of course, there are times when they cannot work, but it is estimated that it is more economical to keep the men in contiguity to their work, rather than disorganize the forces and more than disorganize the forces and more than disorganize the forces and more than the county at the county work on roads which are being built with state aid. One of these has just been removed from Lee county, where a road has been completed from Berl Hur to Jonesville, the county seat, to Charlotte county, to begin work on a new road.

R. Henry Lynn Goes Duck Shooting With Friends and Meets Death.

> BALTIMORE, MD., December S.—R. Henry Lynn, formerly of Leesburg, Va., president of the American National Bank of Washington, D. C., met death' while ducking on the Susquehanna flats, ten miles from Havre de Grace, to-day. Mr. Lynn was occupying a sink box and had complained to those in charge of the tender that it was leaking. He was given directions what to do and appeared to have carried their out. Some time afterward it was discovered that Mr. Lynn was not in the sink box. Investigation showed that the box had a hole in the end, apparently made by a gunshot. It is believed that Mr. Lynnsgun was accidentally discharged, blowing the hole in the sink box, and that the recoil, received perhaps in his alticome, made it impossible for him to call for help, which was within easy reach. There are no wounds upon the body, and it appears evident the Mr. Lynn probably became insensibly from the effects of the recoil accidence where the sink box down and filed it with water. The body was recovered in five feet of water about fifty feet from the sink box he had occupied, and was taken to Elliton. Henry Lynn, formerly of Leesburg, Va., president of the American Na-
